

REMARKS

In a telephone discussion on July 30, 2007, Examiner Pham suggested that the present claims could be made allowable by: combining claims 1 and 3, combining claims 22 and 23, and amending claim 31 along the lines of claims 1 +3. Those suggestions have been accepted and incorporated into claims 1, 22 and 31.

It should be noted that original claim 3 contained an error; the terms "printed" and "printing" in the penultimate line of claim 3 as presented in the October 13, 2006 amendment, should have read "finished" and "finishing", respectively. That error is clear from page 16, lines 14-20 of the specification, and has been corrected in the amendment to claim 1.

In light of the foregoing amendments and comments, it is submitted that the application is in condition for allowance.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
